Case Name: McGriff v. REARDON

Case Number: 1:21-CV-0073-AMD-LB

Judge Ann DONNELLY

Date: October 13, 2021

Your Honor,

As directed by the Court's notice dated 10/06/2021, the following is the description of the procedural error mentioned in the October Motion.

Upon information(i.e., grand jury minutes) and belief, the State during its presentation of my case to the grand jury, failed to charge the "complete defense of justification". When evidence showed, petitioner's action for which his conviction rest, were the results of him defendinghimself, against an unprovoked attack. In violation of mandates CPL § 190.25[6].

The reason(s) for requesting habeas corpus proceeding be stayed/ held in abeyance, is to allow petitioner, the opportunity. To litigate this issue before the State Court, by way of CPL §§ 440.10(1)(h),(1)(c). proceeding. Addressing, the Constitutionality of his conviction. In conjunction with an application under CPL §§210.20[4], 210.35[5], moving to dismiss indictment on the bases, "insufficient evidence to sustain a finding of a true bill".

**Certification of Service**

I hereby certify that on October 13, 2021, the foregoing was filed by regular mail on the following:
